TO ALL BIDDERS

RFP NO. 12-44

SUBJECT: Consultant/Comprehensive Master Plan

ADDENDUM NO. 1

TO WHOM IT MAY CONCERN:

With reference to the bid request relative to the above subject, please note the following:

**Q:** A question was asked whether the Town was committed to a master plan that adhered strictly to the scope outlined in Chapter 41, MGL Section 81D?

**A:** The Town would consider an alternative scope that deviated from the statutory framework for a comprehensive master plan provided that the alternative framework and product are comprehensive, address the inter-related dynamic of the plan elements, and provided the product is in a format/medium that could be readily communicated and understood by Town boards, staff, land owners, and the general public.

Attached Sign-in sheet from Briefing Session held October 11, 2012.

All other terms, conditions and specifications remain unchanged.

Very truly yours,

Town of Arlington
